

## A student of the Victoria Ballet Academy represents Canada at the 3<sup>rd</sup> International Ballet Competition in Beijing, China

Anastasia Loskutov, a student of the Victoria Ballet Academy (International Ballet Academy of Canada), was the sole Canadian representative at the competition. The most immediate results of her very successful performance are, among others:

- an invitation to perform the prima role in the Nutcracker of the National Ballet of Kazakhstan, in Astana, the capital city
- an invitation to participate in the 4<sup>th</sup> International Ballet Competition in Korea in summer 2011
- a scholarship offer from an American professional ballet school
- an award from Victoria Ballet Academy – an all-inclusive trip to Ottawa to meet ballet dancers of the Mariinsky Theatre (St. Petersburg, Russia) and attend their ballet La Bayadere

Join us in congratulating Anastasia Loskutov for the results of her hard creative work and in our striving to raise the next generation of ballet stars at Victoria Ballet Academy (International Ballet Academy of Canada).
